

## Mark welcomes cheaper Energy Bills

City MP Mark Lancaster has praised the news that the Energy Bill passed through parliament recently, will save families in Milton Keynes up to Â£158 on their utility bills.

The bill has brought measures in to help people switch to the cheapest tariff their energy company offers. The most vulnerable households will see the greatest benefit.

The Energy Bill is delivering on the governments promise to help families with the rising cost of living.

Mark said: "The cost of living is the number one issue in Milton Keynes. The Energy Bill will put cash back in your pocket. Hardworking families in Milton Keynes will now be able to save up to Â£158, by switching to the cheapest energy tariff, which our plans will give everyone the chance to do."
