

Mark backs campaign for a referendum on the EU

Local MP Mark Lancaster has added his weight to the "Let Britain Decide" campaign.

The "Let Britain Decide" campaign has been launched to unite people of different political persuasions behind allowing the British people a chance to have their say on the UK's relationship with Europe through a referendum.

Mark has always been a supporter of having a referendum on our membership in the European Union and hopes that, with the EU Referendum Bill passing through parliament, there will be a referendum held in 2017.

Mark said "It is over 40 years since we were able to have our say on whether or not we want to be part of the EU. With so many more powers going from Westminster to Brussels it is absolutely right we allow people to vote on it and I therefore encourage people to back the "Let Britain Decide" campaign."
