

Mark is holding his mobile surgery next week

Milton Keynes North MP Mark Lancaster is holding his annual mobile surgery.

Held every year since he was elected, Mark goes on the road and visits the more rural areas of the Milton Keynes North constituency to make sure those who don't find it easy to get into the city centre have an opportunity to speak to him.

Mark holds a mobile surgery once a year, as well regular surgeries in the Milton Keynes Council Offices and also surgeries in the different parishes across Milton Keynes.

Details of his Mobile Surgery are as follows and Mark would like to encourage everyone to come and stop by, no appointment necessary.

#### Mobile Surgery Timetable
