

Mark supports local fundraisers

Mark has met with Drew Puxty and Stewart Wright, two local students, who are planning on climbing Mount Everest this summer to raise money for Childreach, a charity which supports children in developing countries.

Mark was very interested in their climb and their charity which helps children in developing countries to gain access to education, health and children's rights. Drew Puxty has previously climbed Mount Kilimanjaro to raise money for the charity, which directly helps children in practical ways.

Drew and Stewart would be grateful for any support you might be able to give them. Please visit their fundraising sites; <https://mydonate.bt.com/fundraisers/drewpuxty1> or <https://mydonate.bt.com/fundraisers/stewartwright1> I wish them all the best with their climb and fundraising efforts.
