

Its beginning to look a lot like Christmas!

The winners for the city MP's Christmas card competition have been revealed.

Nisreen Ghozzal, nine, from Green Park School has been chosen as the winner from Mark's constituency for the North. Â For the south, Iain Stewart's winner was Prakriti Mall, eleven, who attends Caroline Haslett Primary School.

Both pupils will have their cards printed and will be used as the official Christmas cards for the MP's to send to the Queen, the Prime Minister, David Cameron, constituents and colleagues.

The designs by Year 5 and Year 6 pupils were narrowed down by MK NEWS reporter, Jessica Duncan and MK Gallery Director, Anthony Spira.
