

Mark supports Business Achievement Awards

There are ten categories in which to enter your company and the organisers, MK Business Leaders, are encouraging all businesses to take the opportunity to acknowledge and celebrate their successes over the past year.

You must register your business before the official closing date, which is the 16th February 2014. The prestigious award ceremony will then be held at the DoubleTree Hilton on 20th March, 2014.

The recent statement that Milton Keynes is the best place in the UK to do business is clearly demonstrated by the number of international companies who have made our city their home. So I can envisage that the judging panel will be spoilt for choice when it comes to choosing an overall winner!
