

Olney Shop of the year 2014

Who will win the title of Olney Independent shop of 2014? Who will get your vote?

We all know that Olney has some wonderful independent businesses and I am launching this campaign to give customers the chance to thank their favourite butcher, florist, grocer etc. and give them the recognition they deserve.

I certainly appreciate the personal service and sense of community when I shop locally and not forgetting the important role they play in generating jobs and boosting the local economy.

During August and September you will be able to spot the posters in the local area and so I would encourage everyone to vote for their favourite business at <http://marklancastermp.org/olney/> There's also a chance that once you have voted you could stand to win £100 to spend in the shop you voted for!
