

## August Mobile Surgeries

I'm hitting the road again! Every year I make a point of taking my surgeries out to the more rural areas of my constituency and this year is no exception!

During the winter months my regular surgeries are held at the Civic Offices but come the summer, I always find it beneficial to reach those who would find it difficult to travel into the city centre.

So, please take advantage of coming to share any concerns or issues you may have at any one of the following venues:

26th August:

United Reform Church 1.30pm - 3pm
