

MK Business Start Up & Enterprise Fair

MK start-up businesses and entrepreneurs will be offered a range of free advice and information as part of a new initiative by myself and Iain Stewart MP, launching next Friday, 5th September.

As Milton Keynes has proven to be one of the best places in the country to run a business, the event has been designed to be a 'one-stop shop' offering advice for those who currently have a business or those considering doing so.

Businesses are vital to the growth of any economy and both Iain and I are pleased to be joined by the likes of Companies House, HMRC, Santander, NatWest, Barclays, Rockstar etc. Given my experience with running a family business, I am sure this event will prove useful to all those who attend.

The Business Start Up and Enterprise Fair is free to attend and will be held on Friday, 5th September at the Network Rail Head Office and will run from 4pm – 7pm.

Please call my office on 01908 686830 for further information.
