

Dementia Roadshow hits MK

As you may be aware I have been working closely to support and promote the work of dementia organisations here in MK.

Having become a Dementia Friend, I am especially pleased to share the news that the Dementia Community Roadshow will be visiting MK on Friday 12th September. Â Stocked with free publications, the bus will be parked at Argos on Grafton Gate (MK9 1DL) from 10am to 4pm.Â

Local Operations teams and volunteers, will be able to signpost people with dementia and their carers to essential local services, bringing vital information to those who need advice and support.Â
