

It's Enough To Make Your Hair Curl!

It was a joy to be able to meet lucky voter, Ro Smith from Sherington and congratulate him on winning Â£100 to spend at Christos Hair Centre.

Ro was randomly chosen from over 350 people who voted in my campaign to find the most popular Independent Shop of 2015 in Newport Pagnell.

On meeting up with Ro, I learnt that he had been a customer at Christos for over 30 years, in fact he used to pop into their first shop in Wolverton when he was working as a truck driver in the steel works.

The family legacy continues on as Luke, Ro's grandson, is already a regular customer at Christos and is delighted to learn that his granddad is willing to share his good fortune!
