

MK Dementia Alliance Needs You!

I'm delighted to say that The Dementia Action Alliance is taking huge strides in MK and is working in partnership with businesses and the community. They've already developed practical actions to support those living with dementia.

Hosted by Marion Fisher, Chair of DAA MK, join the team on Wednesday 7th October at 9:30am in the Community Room at Asda Super Centre, in Bletchley, to learn about their aims to support the 2,192 people living with dementia in MK.

Being a Dementia Friend myself, I would encourage everyone to take the opportunity to join their one hour Dementia Friends session which will follow the meeting.

Having reached the original target to create one million Dementia Friends in the UK, Alzheimer's Society have set a new ambitious target, to create four million friends by 2020 and so here's your opportunity to be part of this incredible movement.
