

First National Apprenticeship Show comes to MK

Thousands of would be apprentices will be converging on Arena MK for the very first National Apprenticeship Show. This is a great opportunity to learn about the wide range of apprenticeships and training programmes on offer from over 100 national and international employers.

MK will welcome 2,900 schools and colleges from within a two hour drive to this lively, fun and informative event. Parents, teachers' students and anyone wishing to find out more about apprenticeship opportunities should put Monday, 14th & Tuesday, 15th March in their diaries or visit <http://www.nationalapprenticeshipshow.org/> for more information
