

## Hazel's Ambulance Hits the Road

The Wolverton & Stony Stratford Rotary Club have been tirelessly fundraising for Willen Hospice to fund a new ambulance for their patients.

'Hazel's Ambulance Appeal' was run in memory of Rotarian Brian Stuart's wife Hazel who was cared for at the Hospice. Raising over Â£36,000 they were able to hand over the keys to a brand new vehicle to CEO Paul Hinson.

As patrons, both Iain Stewart MP and I were very humbled by this incredible gift donated in Hazel's memory and I hope that her friends and family will gain comfort from their most generous support.
