

## EU Referendum - Working Together

Following the results announced in the early hours of this morning I accept that Milton Keynes and the UK have made a clear decision on our future relationship with the EU.

It was a huge exercise of democracy and it is important that we accept the majority view.

We now need a time of stability and both Iain Stewart MP and I will be working to ensure the Milton Keynes economy continues to be successful and adapts to the new political environment.

There are challenges and huge opportunities ahead for us all but it is important we are united at this time and work in the best interests of Milton Keynes.
