

MOD Minister in MK

In my dual role as local MP and the Minister for Reserves at the MOD, it was an absolute pleasure to catch up with the 678 (The Rifles) Sqn Army Air Corps in Milton Keynes last month.

Based in Blakelands, the Squadron is paired with 4 Regiment Army Air Corps at Wattisham where it provides ground support for the Apache aircraft.

Take a look at the role they play in supporting our air crews <https://www.youtube.com/watch?v=9CoJhiW0844&feature=youtu.be>
