

Vote for Willen Lakes

Could Willen Lakes be crowned the Best Park in the UK? It's all down to the voting!

Willen Lakes have been nominated for the Fields in Trust UK's Best Park, as voted by YOU! Award and now needs public votes to win. A total of 214 parks and green spaces have been nominated across the UK; each one loved and valued by its local community.

Willen Lakes is one of 23 parks in the South East region that have been shortlisted. Now it is time to choose the winners; cast your vote at www.fieldsintrust.org/bestpark/southeast before November 9th.

I was thrilled to hear of the nomination. We are incredibly proud of the beautiful green spaces created here in Milton Keynes. The redway cycle paths, the canals, the management of the lakes and the surrounding areas are second to none. To witness the sheer numbers of people appreciating the outdoor facilities is simply a clear testament to how much people value and enjoy our very special landscape.
