

Dick Whittington at MK Theatre - Simply Relaxed!

MK Theatre are having a "relaxed performance" of Dick Whittington on Tuesday 3rd January at 1pm.

A relaxed performance is suitable for both adults and children who would benefit from a more relaxed setting when attending the theatre, including people on the autistic spectrum, those living with dementia or just anyone who prefers a less formal environment when seeing a show.

It's the opposite of the 'quiet carriage' on the train – there's a relaxed attitude to noise, movement and a few small changes to the sound and lighting.
