

Points of View

The final of the MK School's Debating competition took place last night in parliament with Ousedale School of Newport Pagnell being judged as overall winners.

Set in the Grand Committee room of Westminster Hall, Ousedale's team of Grace King and James Winship pipped Alexander Pasha and Jack Rees of St Paul's School of Leadenhall to the coveted trophy.

Congratulations to all those who took part and both Iain Stuart MP and I are looking forward to seeing if Ousedale School can retain their title in 2017.
