

Bronze Award for MK Council

The Armed Forces Covenant is a promise from the nation to those who are serving or have served giving them an assurance that they will be treated fairly and not disadvantaged in their day-to-day lives.

I was fortunate to be able to re-sign the MK Council covenant, not only as Minister for Defence Veterans, Reserves and Personnel at the MOD but the added privilege of signing as the local MP.

I congratulate the work of the Milton Keynes Armed forces Liaison Group (MKAFLG) who offer advice on a range of subjects for our MK Armed Forces community.
